Dear parent/carer,

Raising achievement by involving parents and carers in the work of our school

Involving yourself in your child's education is an exciting challenge, with excellent benefits for your child, for you, for the school and for the local community.

Research has identified that, at age 7, a parent's influence on a child's learning is six times that of their school and even at 11 years old, it is 29% greater. Increased involvement can raise achievement by at least 18%. No involvement means low or no qualifications at 16.

We are using the Leading Parent Partnership Award (LPPA) to help strengthen our school's partnership with parents. LPPA is a national award that we first achieved in 2016 and have continued to reaccredit every 3 years. It is a valuable school improvement tool that will continue to give us recognition for our commitment to working with parents.

The reaccreditation of the LPPA this academic year will help us achieve these long-term benefits:

- contribute to improved pupil attendance, punctuality, behaviour and progress
- increase parent participation and involvement
- enhance parents' support in their children's learning
- improve communication between home and school.

If you would like to become more involved or want more information, please contact Mrs N. Patel the LPPA Coordinator at Camrose Primary School.

Yours sincerely,

Mrs N. Patel
