Article 3: All organisations concerned with children should work towards what is best for the children.

It's Christmas!

The Autumn Term is over and what an eventful 3 months it has been!

With only two confirmed Covid-19 cases in the school this term (5 pupil cases throughout the entire pandemic) we have been very lucky and hopefully this will remain the case as we return in January.

However, as you have no doubt been hearing on the news, the Omicron variant has the potential to cause disruption to school as we enter the New Year.

Please be aware that there is a possibility of a return to some of our previous safety arrangements if infection numbers continue to rise.

We will keep you up-dated via the school website if changes are to be made.

I'd like to thank you all for the support you have shown the school and wish you a very Merry Christmas and a Happy New Year.

School begins again on Wednesday 5th January 2022.

Please ensure your child is back to school on this date.
