

Personal Development News (PDN)

The mindful approach to PSHE

3-4-2025

Welcome to the Spring Term edition of PDN!

We would like to share fantastic news! Pupils and staff are very proud to have been awarded the prestigious *Jigsaw Beacon School status*. Members of Jigsaw visited our school and after lesson observations, talking to children as well as parents, it was decided that Camrose will serve as example of good practice to other schools in our region. We are very pleased, that not only we have been a Jigsaw Flagship school for four consecutive years, but we have also been presented with the 'beacon' recognition for our successful practice. A massive thank you to all our amazing and hard-working children and teachers who made this possible.

CERTIFICATE OF RECOGNITION

Camrose Primary School

has been awarded the prestigious Jigsaw Beacon School status for the London region. This honour recognises Jigsaw Flagship schools' exceptional commitment to the values and ethos of our PSHE programme. Their dedication not only sets a new standard but also serves as an inspiring example for others to follow, showcasing the highest level of Flagship excellence in Jigsaw education.

March 2025

- Jigsaw Visit -

Our Jigsaw Ambassadors and their peers were asked what they would advise schools that do not use Jigsaw as part of their PSHE curriculum. Their response was simple: schools should be using Jigsaw because it makes children happy and teaches them how to feel safe. The lessons are interesting and fun! Children have opportunities to share their views and opinions in an environment where they feel valued and listened to. Pupils have demonstrated that they use the key vocabulary confidently and effectively in all the other subjects, as PSHE has strong cross-curricular links across all areas of learning.

We had a really busy term, with lots of interesting events and parent workshops. Nursery, Reception, Year 1 & 2 held Mother's Day parent workshops and 1RK held their class assembly. The children sang songs, shared activities, cakes and drinks with their mothers.

Everyone had a great afternoon and their lovely mothers valued this wonderful experience.

Another successful *Jigsaw Families* session which gave opportunities to parents to work jointly with their child and other parents.

Families will continue in the Summer term

Key dates:

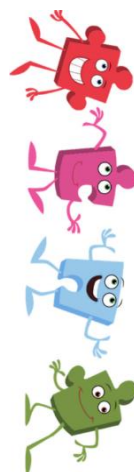

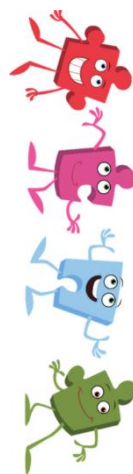

RSHE Parent Consultation Year 1&2 - 30.4.25

RSHE Parent Consultation Year 3&4 - 7.5.25

RSHE Parent Consultation Year 5&6 - 8.5.25

Come along if you would like to find out more about what and how we teach 'Relationships, Sex & Health Education'. As part of our safeguarding programs, we will also talk about abuse awareness and how we teach children to recognise signs of abuse in a child-friendly way.

Watch out for the yellow school letters, please sign and return the slip to register your interest. Thank you.
