**Article 3:** All organisations concerned with children should work towards what is best for the children.

Centre of Excellence

**Dear Parents and Carers,**

**This has been a very busy term. All of the children have taken part in a variety of enrichment activities and have worked very hard during lessons.**

**The end of the Autumn term is always an exciting, fun filled time at school and it presents many opportunities for the children to develop their social skills through the various events that take place.**

**Children miss out on many valuable experiences if they are withdrawn from school prior to the end of the term.**

**As parents, it is your responsibility to ensure that your children do not miss school unnecessarily.**

**Extended holidays are not a reasonable excuse for absence and will not be authorised.**

## Parent Questionnaire

**This week a parent questionnaire has been sent home with your child.**

**This is your opportunity to have your voice heard as these questionnaires help us plan towards improving in areas that you feel are important.**

**As we informed you earlier this term, we plan to go paperless from January 2022. All correspondence will be via parent email and texting. Therefore your current contact information is important to ensure you are kept informed.**

**Please take the time to complete the questionnaire and contact form and return them to the school office by Tuesday 14<sup>th</sup> December.**

**Thank you**
