Article 3: All organisations concerned with children should work towards what is best for the children.

Dear Parents and Carers,

I hope you all had an enjoyable half term and a happy and safe Diwali and New Year!

It has already been a very busy start to the second half of the Autumn term; with trips, assemblies and pupil workshops.

As the weather gets colder please ensure that your children remember their coat / jacket as they will be outside during the break times. I'd also ask that you pack the school tracksuit into your child's PE kit.

Thank you to all of the parents who attended the Google Classroom consultations.

Unfortunately, the turnout for the Google Classroom meetings has not been what we expected – at less than 60%.

We hope the next parent consultation meeting during the Spring term will be in school and that we will see all parents at this time.
