Our school is a Rights Respecting School and this is at the heart of everything we do.

Our overriding principles are:

Respect for Ourselves

Respect for Others

Upholding the rights of ourselves and others to be safe

By upholding the core articles 12, 14, 19, 24, 28 and 29 of our school charter we behave in the following way:

- Governors, staff, parents and pupils are polite and respectful at all times
- We are explicit and consistent in our expectations of each other
- We provide opportunities for pupils to reflect on their own behaviour and consider the consequences of their actions
- Staff will be fair and consistent and foster a culture in which pupils' achievements are recognised and celebrated
- We will challenge any form of discrimination or bullying promptly
- Governors, staff, parents and pupils follow the school guidelines relating to Covid-19.
- Parents are understanding and tolerant of the changing school procedures introduced to help ensure the safety of all particularly in relation to Covid-19.
- Staff will be empowered to take prompt and effective action when pupils do not uphold others' rights, ensuring that the children's dignity is preserved
- We work in partnership with home and external agencies to ensure that children's rights are upheld in all areas
