## 1. Aims and Objectives

Our special educational needs and disabilities (SEND) policy aims to make sure our school fully implements national legislation and guidance regarding pupils with SEND.

Camrose Primary School is committed to inclusion, meeting individual needs and planning the highest quality provision for all pupils. Our objectives ensure high levels of achievement, progress and development of all pupils regardless of Special Educational Need or Disability. We will ensure that a child or young person with SEND will have their needs met through a rigorous programme of identification, assessment, planning and support. To achieve this;

- the views of the pupil will be sought and taken into account
- our parents have a vital role to play in supporting their pupil's education
- our pupils with SEND will be offered full access to a broad, balanced and relevant education, including an appropriate curriculum
- The school will manage its resources to ensure all pupils' needs are met
- A pupil's special educational needs and/ or disability will be identified early
- Provision and progress for our SEND pupils will be monitored and reviewed regularly
- The school will involve outside agencies when appropriate
- Education, Health & Care Plans (EHCPs) will be reviewed regularly in line with regulations
- Appropriate training will be provided for those involved in the implementation of the policy

Where a SEND is identified, the school will put appropriate evidence-based interventions in place. These will be provided as part of a graduated response, which includes regular review of the progress made and adaptations to the support provided as required.

The effectiveness and appropriateness of the policy will be continuously monitored by the Special Educational Needs Coordinator (SENCO) in conjunction with the SEND Representative from the Governing Body and the Head teacher, using the criteria set out in the Special Educational Needs and Disability Regulations 2014.

The use of resources, identification, programme planning, effectiveness and quality of individual planning, pupil progress, pupil participation, parents as partners, statutory reviews, referrals for statutory assessment, the identification of training needs and the use made of support services will be monitored and evaluated regularly.

In addition, the school will annually undertake a self-evaluation of the effectiveness of its policy in order to both update the policy and to plan further improvements and development.

## 2. Vision and values

We believe that all of our pupils, regardless of gender, ethnicity, ability, disability or sexuality are entitled to a high quality education that will maximise their life chances.

All pupils are entitled to an education that enables them to:

- achieve their best
- become confident individuals living fulfilling lives, and
- make a successful transition into adulthood, whether into employment, further or higher education or training

Therefore, at our school we will provide all pupils with access to a broad and balanced curriculum.

We are committed to making sure all our pupils have the chance to thrive and supporting them to meet their full potential.

We are focused on creating an inclusive environment, where provision is tailored to the needs and abilities of pupils, no matter how varied.

### 3. Legislation and Guidance

This is based on the statutory [Special Educational Needs and Disability \(SEND\) Code of Practice](#) and the following legislation:

- [Part 3 of the Children and Families Act 2014](#), which sets out schools' responsibilities for pupils with SEND
- [The Special Educational Needs and Disability Regulations 2014](#), which set out local authorities' and schools' responsibilities for education, health and care (EHC) plans, SEN co-ordinators (SENCOs) and the special educational needs (SEN) information report
- The [Equality Act 2010](#) (section 20), which sets out the school's duties to make reasonable adjustments for pupils with disabilities
- The [Public Sector Equality Duty](#) (section 149 of the Equality Act 2010), which set out the school's responsibilities to eliminate discrimination, harassment and victimisation; and advance equality of opportunity and foster good relations between people who share a protected characteristic (which includes having a disability) and those who don't share it
- The [Governance Handbook](#), which sets out governors' responsibilities for pupils with SEND
- The [School Admissions Code](#), which sets out the school's obligation to admit all pupils whose education, health and care (EHC) plan names the school, and its duty not to disadvantage unfairly children with a disability or with special educational needs

### 4. Inclusion and Equal Opportunities

At our school we strive to create an inclusive teaching environment that offers all pupils, no matter their needs and abilities, a broad, balanced and challenging curriculum. We are committed to offering all pupils the chance to thrive and fulfil their aspirations.

We will achieve this by making reasonable adjustments to teaching, the curriculum and the school environment to make sure that pupils with SEND are included in all aspects of school life.

### 5. Definitions

#### 5.1 Special educational needs

A pupil has SEND if they have a learning difficulty or disability that requires special educational provision to be made for them.

They have a **learning difficulty or disability** if they have:

- A significantly greater difficulty in learning than most others of the same age, or
- A disability which prevents or hinders them from making use of facilities of a kind generally provided for others of the same age in mainstream schools

**Special educational provision** is educational or training provision that is additional to, or different from, that made generally for other children or young people of the same age by mainstream schools.

## 5.2 Disability

Pupils are considered to have a **disability** if they have a physical or mental impairment that has a substantial and long-term adverse effect on their ability to do normal daily activities.

The school will make reasonable adjustments for pupils with disabilities, so that they are not at a substantial disadvantage compared with their peers.

## 5.3 The 4 Areas of Need

The needs of pupils with SEND are grouped into 4 broad areas. Pupils can have needs that cut across more than 1 area, and their needs may change over time.

Interventions will be selected that are appropriate for the pupil's particular area(s) of need, at the relevant time.

AREA OF NEED	
Communication and interaction	<p>Pupils with needs in this area have difficulty communicating with others. They may have difficulty understanding what is being said to them, have trouble expressing themselves or do not understand or use the social rules of communication.</p> <p>Pupils who are on the autism spectrum often have needs that fall in this category.</p>
Cognition and learning	<p>Pupils with learning difficulties usually learn at a slower pace than their peers. A wide range of needs are grouped in this area, including:</p> <ul style="list-style-type: none"><li>• Specific learning difficulties, which impact 1 or more specific aspects of learning, such as: dyslexia, dyscalculia and dyspraxia</li><li>• Moderate learning difficulties</li><li>• Severe learning difficulties</li><li>• Profound and multiple learning difficulties, which is where pupils are likely to have severe and complex learning difficulties as well as a physical disability or sensory impairment</li></ul>
Social, emotional and mental health	<p>These needs may reflect a wide range of underlying difficulties or disorders. Pupils may have:</p> <ul style="list-style-type: none"><li>• Mental health difficulties such as anxiety, depression or an eating disorder</li><li>• Attention deficit disorder, attention deficit hyperactive disorder or attachment disorder</li><li>• Suffered adverse childhood experiences</li></ul> <p>These needs can manifest in many ways, for example as challenging, disruptive or disturbing behaviour, or by the pupil becoming withdrawn or isolated.</p>

AREA OF NEED	
Sensory and/or physical	<p>Pupils with these needs have a disability that hinders them from accessing the educational facilities generally provided.</p> <p>Pupils may have:</p> <ul style="list-style-type: none"> <li>• A sensory impairment such as vision impairment, hearing impairment or multi-sensory impairment</li> <li>• A physical impairment</li> </ul> <p>These pupils may need ongoing additional support and equipment to access all the opportunities available to their peers.</p>

We are constantly looking for ways to improve our SEND policy. We will do this by evaluating whether or not we are meeting our objectives set out in section 1.

We will evaluate how effective our SEND provision is with regards to:

- All staff's awareness of pupils with SEND at the start of the autumn term
- How early pupils are identified as having SEND
- Pupils' progress and attainment once they have been identified as having SEND
- Whether pupils with SEND feel safe, valued and included in the school community
- Comments and feedback from pupils and their parents

### 7.2 Monitoring the policy

This policy will be reviewed by the SENCO annually. It will also be updated when any new legislation, requirements or changes in procedure occur during the year.

It will be approved by the full governing board.
