Extended school day	£10180	To improve the attendance of specific pupils and reduce the number of persistent late pupils. To ensure Year 6 pupils have had breakfast during SATs week and are all in school on time.	Education Endowment Foundation: Extended School time <i>'Overall, the evidence indicates that, on average, pupils make two additional months' progress per year from extended school time or the targeted use of before and after school programmes. There is some evidence that disadvantaged pupils benefit disproportionately, making approximately two and a half months' additional progress. There are also often wider benefits for low-income students in terms of attendance at school, behaviour and relationships with peers.'</i>
Leadership Reviews	£5040	To organise the delivery of the above programs, ensuring high quality outcomes are achieved.	Time used to create projects and introduce. Discussions with relevant staff to assess impact and value of projects, data analysis and report writing. All paperwork and analysis completed termly.
Phonics Interventions	£7160	To support the development of early reading skills and ensure that the gap for disadvantaged pupils is narrowed early on.	Education Endowment Foundation: Phonics <i>'Teaching phonics is more effective on average than other approaches to early reading.'</i>
Play Phonics	£4060	To support pupils and prepare them for the Phonics Screening test at the end of Year 1.	Education Endowment Foundation: Phonics <i>'Teaching phonics is more effective on average than other approaches to early reading.'</i>
After School Support	£8576	To support underachieving pupils ensuring they make progress in line with their peers	Education Endowment Foundation: Extended School time <i>'Overall, the evidence indicates that, on average, pupils make two additional months' progress per year from extended school time or the targeted use of before and after school programmes. There is some evidence that disadvantaged pupils benefit disproportionately, making approximately two and a half months' additional progress. There are also often wider benefits for low-income students in terms of attendance at school, behaviour and relationships with peers.'</i>

Year 1 interventions	£7215	To improve pupil engagement in their learning so that PP pupils are working in line with their peers.	Education Endowment Foundation: Small group tuition 'Overall, the pattern is that small group tuition is effective and, as a rule of thumb, the smaller the group the better'
Reactive Support	£7050	To ensure attendance does not affect progress of pupils and at least expected progress is made in all core areas.	Education Endowment Foundation: Small group tuition 'Overall, the pattern is that small group tuition is effective and, as a rule of thumb, the smaller the group the better'
SEND PP Reading	£4312	To improve reading through offering interesting, inspiring books that are matched to pupil ability accurately.	Education Endowment Foundation: Reading Comprehension Strategies 'On average, reading comprehension approaches improve learning by an additional five months' progress over the course of a school year. These approaches appear to be particularly effective for older readers (aged 8 or above) who are not making expected progress.'
Additional Reading: KS2	£5496	To provide additional support for disadvantaged pupils with Reading so that the attainment gap is diminished.	Education Endowment Foundation: Small group tuition 'Overall, the pattern is that small group tuition is effective and, as a rule of thumb, the smaller the group the better'
Reducing class size	£12,100	To provide additional support and targeted feedback for pupils so that the attainment gap is narrowed.	Education Endowment Foundation: Reducing class size 'Reducing class size appears to result in around 3 months additional progress for pupils, on average.'
Speech & Language	£2968	Planning, delivering and assessing individual S&L programs	Schools own data: Shows those requiring additional Speech and Language make good progress in communication and language development.
