

Camrose Primary School with Nursery

Pupil Premium Initiatives Report: 2024 - 25

There are 82 children on the PP Register. This is based on the September 2024 roll.

Ethnicity

Below show %, based on ethnicity, for the 82 PP children.

Total Number	Any other Asian	Any other black background	Any other white background	Any other background	Any Other Mixed background	Black/ African	Traveller of Irish heritage	White/ British	White / Asian	White / Black African	White / Black Caribbean	Pakistani	Indian	Refused
82 (PP)	19% (15)	2% (1)	33% (27)	9% (7)	5% (4)	8% (6)	10% (8)	6% (5)	2% (2)	2% (1)	0% (0)	3% (2)	4% (3)	2% (1)
338 (Non PP)	13% (41)	0% (0)	52% (176)	2% (5)	2% (5)	5% (17)	0% (0)	4% (11)	4% (11)	2% (4)	1% (3)	3% (8)	15% (49)	1% (1)

SEND

16 (out of 82 PP) are on the SEND register (20%) From this:

	<u>K Code</u>	<u>Educational Health Care Plan</u>
Form the PP group (out of 16)	69% (11)	31% (5)

Item	Cost	Objective	Rationale
Uniform	£7420	To ensure all PP pupils are prepared for school and equipped to learn.	To ensure all PP pupils are prepared for school and equipped to learn.
Enrichment	£10,000	Enhance the curriculum through practical “hands on” activities that are relevant, stimulating and motivating. To improve the confidence and engagement of pupils generally and increase their enthusiasm for and achievement in core subjects.	Education Endowment Foundation: Extending learning beyond traditional academic priorities <i>‘At the EEF, we think enriching education has intrinsic benefits (sometimes referred to as “arts for arts’ sake”). We think all children, including those from disadvantaged backgrounds, deserve a</i>
Extended school day	£12,000	To improve the attendance of specific pupils and reduce the number of persistent late pupils.	Education Endowment Foundation: Extended School time <i>‘Overall, the evidence indicates that, on average, pupils make two additional months’ progress per year from extended school time or the targeted use of before and after school programs. There is some evidence that disadvantaged pupils benefit disproportionately, making approximately two and a half months’ additional progress. There are also often wider benefits for low-income students in terms of attendance at school, behaviour and relationships with peers.’</i>
Parental Engagement	£8000	To enable parents to be able to support their child’s learning at home.	Education Endowment Foundation: Parental Involvement <i>‘Parental involvement is consistently associated with pupils’ success at school.’</i>
Small Group Tuition – HLTA’s	£4210	To provide targeted support, focused on the specific needs of a small group of pupils, to ensure good progress is made in Reading.	Education Endowment Foundation: Small Group Tuition <i>‘Overall, evidence shows that small group tuition is effective’</i>
Leadership Reviews	£1500	To organise the delivery of the above programs, ensuring high quality outcomes are achieved.	Time used to create projects and introduce. Discussions with relevant staff to assess impact and value of projects, data analysis and report writing. All paperwork and analysis completed termly.

Phonics Interventions	£8400	To support the development of early reading skills and ensure that the gap for disadvantaged pupils is narrowed early on.	Education Endowment Foundation: Phonics <i>'Teaching phonics is more effective on average than other approaches to early reading. Phonics approaches have been consistently found to be effective in supporting younger readers to master the basics of reading, with an average impact of an additional four months' progress. Research suggests that phonics is particularly beneficial for younger learners (4-7 year olds) as they begin to read.'</i>
Phonics books	£4620	To support the development of early reading skills both in school and at home and ensure that the gap for disadvantaged pupils is narrowed early on.	Education Endowment Foundation: Phonics <i>'Teaching phonics is more effective on average than other approaches to early reading. Phonics approaches have been consistently found to be effective in supporting younger readers to master the basics of reading, with an average impact of an additional four months' progress. Research suggests that phonics is particularly beneficial for younger learners (4-7 year olds) as they begin to read.'</i>
EYFS support	£10,500	To support EYFS pupils so that the gap is narrowed between PP pupils and non PP pupils	Education Endowment Foundation: Early Years Intervention <i>'Overall, the evidence suggests that early years and pre-school interventions have a positive impact, delivering an average of around five additional months' progress. The approach appears to be particularly beneficial for children from low income families.'</i> Education Endowment Foundation: Small group tuition <i>'Overall, evidence shows that small group tuition is effective'</i>
Oral Language	£12,000	To develop oral language through daily whole class reading and discussion time.	Education Endowment Foundation: Oral Language <i>'On average, oral language approaches have a high impact on pupil outcomes of 6 months' additional progress'</i>

		<p>Of our pupil premium children 76 (75%) speak English as an additional language. To support EAL pupils so that they are able to access the curriculum</p> <p>To reduce the attainment gap in Reading for PP pupils who are EAL particularly those new to English.</p>	<p>Education Endowment Foundation: Oral language interventions</p> <p><i>Oral language interventions are based on the idea that comprehension and reading skills benefit from explicit discussion of either content or processes of learning, or both, oral language interventions aim to support learners' use of vocabulary, articulation of ideas and spoken expression.</i></p> <p><i>"On average, oral language approaches have a high impact on pupil outcomes of 6 months' additional progress"</i></p>
Enriching Experiences	£2,100	To provide enriching experiences so PP pupils have fun and socialise and try out new experiences (Part of HAF)	<p>DfE: Holiday activities and food programme</p> <p><i>Research has shown that the school holidays can be pressure points for some families. For some children this can lead to a holiday experience gap, with children from low-income households being:</i></p> <ul style="list-style-type: none"> <i>less likely to access organised out-of-school activities</i> <i>more likely to experience 'unhealthy holidays' in terms of nutrition and physical health</i> <i>more likely to experience social isolation</i> <p><i>The HAF programme is a response to this issue, with evidence showing that free holiday clubs and experiences can have a positive impact on children and young people</i></p>
Ensure all pupils have a free school lunch	£7,500	<p>To ensure all PP pupils have a healthy lunch during the school day</p> <p>1PP pupils the option of a healthy school lunch</p> <p>To finance the shortfall in funding of £0.65 per meal per child</p>	<p>Alliance Partnership: The impact of school meal programmes on academic performance and student behaviour.</p> <p><i>Research undertaken on the impact of nutrition and student behaviour in school overwhelmingly indicates that diets can affect students' behaviour and development.</i></p> <ul style="list-style-type: none"> <i>studies show that carefully planned menus reduce disruptive behaviour and absences</i> <i>Pupils in primary schools tend to behave comparatively better in class and remain more "on task" in the afternoon after a nutritious lunch.</i>

Community – Language Barrier	£10,110	<p>To reduce the disadvantage faced by a language barrier by supporting parents in their English therefore enabling them to support their child's learning at home.</p> <ul style="list-style-type: none"> • ESOL classes • Community Village classes • Parent Surgery weekly • Translation / interpreters 	<p>Education Endowment Foundation: Working with Parents to Support Children's Learning <i>Parents play a crucial role in supporting their children's learning, and levels of parental engagement are consistently associated with better academic outcomes. Evidence from our Teaching and Learning Toolkit suggests that effective parental engagement can lead to learning gains of +3 months over the course of a year</i></p>
ELSA interventions	£9,390	<p>To build upon pupils emotional development to help them cope with life's challenges and find solutions to any problems they may have.</p>	<p>Education Endowment Foundation: Behaviour interventions <i>Behaviour interventions seek to improve attainment by reducing challenging behaviour in school. Evidence suggests that, on average, behaviour interventions can produce moderate improvements in academic performance along with a decrease in problematic behaviours.</i></p> <ul style="list-style-type: none"> • <i>Both targeted interventions and universal approaches have positive overall effects (+ 4 months)</i> • <i>There is evidence across a range of different interventions with highest impacts for approaches that focus on self-management</i>
Jigsaw Families Positive Parenting	£12,300	<p>To support children and their caregivers with the knowledge, skills and confidence to develop healthy, strong, lasting and loving relationships grounded in psychology and attachment theory.</p>	<p>Education Endowment Foundation: Kevan Collins in TES: 'Parenting can bridge the disadvantage gap – the research is clear'</p> <p>Education Endowment Foundation: Working with Parents to Support Children's Learning <i>Parents play a crucial role in supporting their children's learning, and levels of parental engagement are consistently associated with better academic outcomes.</i></p>

The Brilliant Club	£6180	Provide Key Stage 2 pupils with an inspiring experience of university-style learning beyond the curriculum, by bringing university life to the primary classroom, breaking the barriers of access to higher education and promoting a sense of curiosity, wonder and lifelong love of learning.	<p>Education Endowment Foundation: Encouraging participation in learning activities beyond the normal school day to improve aspirations and attainment of primary pupils.</p> <p><i>Children's University has been tested through a previous EEF trial. This trial found positive impacts on Key Stage 2 maths and reading results equivalent to about 2 months' additional progress. Small improvements were also seen for a range of non-cognitive outcomes, such as teamwork, social responsibility, and aspirations.</i></p>
